### LAST MEETING

There were 37 members and 16 guests present to hear Dr. John S. Wilkinson, past president of the C.N.A. give a very interesting and informative review of the early history of Cyprus and the production and use of coinage at this time. An enthusiastic question period resulted which showed the club's interest on this topic.

A display of beautiful Terracotta Patterns was shown by Mr. J. H. Mackenzie and a case of medals struck to commemorate conventions, clubs and other events was shown by Mr. Harvey Farrow. Short talks accompanied each display.
