LAST MEETING:

Dr. Fenigstein, a prominent authority on Israeli coins and stamps, was our guest speaker for October. He began by giving the historical background for the coins of Israel which began nearly six thousand years ago and went on to explain the identification of the dates on coins since 1948. To aid in his explanation, a sheet of Israeli symbols along with their English translation was passed out to those present. A display of these coins, and a question period rounded out his very informative talk.

Applications for membership have been recieved from the following:

- Mrs. Eleanor Greenwood, Apt 314, 165 Balloil St., Toronto 7, Ont.
- Mr. Arthur Baker, 102 Laura Rd., Downsview Ontario.
- Mr. H. P. Proctor, 216 Prospect Ave., Newmarket, Ontario.
- Mr. Charles Quinnell, 14 Donna Court, Willowdale, Ontario.

Applications for membership have been approved for the following:
