The speaker at the last meeting was your secretary, Mr. Paul Petch, and he had with him colour slides of the Canadian Numismatic Association's convention in Winnipeg. These slides truly conveyed the type of convention it was. As could be seen, the weather was perfect (clear and hot at 90°), and from the bustle on the convention floor, to the interesting stops made on the various tours of Winnipeg, one could see the convention was truly a great one to attend.

The Club's thanks go to Paul for such an interesting and colourful evening.

Also at the last meeting a Centennial Project was proposed and further reports will be submitted on this subject in the near future. The proposals so far are:

1. A COIN COLLECTION---GIBSON HOUSE DISPLAY
2. BOOKS DONATED TO THE CLUB LIBRARY

Any others are welcome.

NEXT MEETING:

The next meeting of the North York Coin Club will be held on Tuesday October 25, 1966 at the North York Community Hall, 5090 Yonge Street, Willowdale, Ont. Doors open at 7:30 p.m. meeting starts at 8:00 p.m.

This meeting is one of the more important ones in the year and should be attended by all those interested in the future of the club. It is at this meeting that YOUR 1967 Executive is nominated for office. Any "beefs", or improvements that you have should be voiced at this meeting so that steps may be taken to adjust the present procedure. Remember, the club needs an executive if the club is to continue in 1967. Please come out and support YOUR club.

SPECIAL NOTE FROM THE EDITOR:

SHEET 1

As Editor of the North York Coin Club Bulletin, I have gone many places and met many friends, and have been introduced to them with this title. The experience gained over the last three years will never be personally forgotten, and the fun of creating a letter to be published and distributed to friends and fellow numismatists in Ontario and all over Canada, has been simply great!

When I took this post in the winter of 1964, I was still in high-school, and of course had no experience in this type of work whatsoever, but with the help of the previous executive a bulletin was produced. I had a few ideas of my own in the beginning, which I employed over the preceding term and with time tried to improve the bulletin so that it was factual, interesting and distinctively North York's Own.

With the passage of time, things change, and it is because of these changes in my own personal life and work, that is going to make it next to impossible for me to continue the editorship of North York. This, then is my final bulletin, but not, of course, for the club.

My successor, Mr. Paul Petch, is quite able and is experienced in this type of work and the quality of the bulletin will be maintained if not improved in the issues to come.

I would like to personally thank all those friends who aided me at the beginning, and to publicly thank North York Coin Club for the right to have served as EDITOR.

HAPPY HAUNTING!

EDITOR ROGER A. FOX
