JUST LOOK HARE AND THERE

Your editor had a very pleasant surprise recently. While out shopping he was confronted with the question, "Do you mind taking your change in nickels and dimes--were out of quarters." Commenting that money is money, no matter what the denomination, he had dropped in his hot little palm a fist full of 1967 dimes and nickels. Perhaps you may find it difficult to believe, but these were the first 1967 nickels I have encountered in change.

How about you? I'm wondering if you have noticed the hare nickels popping up more and more. Could it be that the mint is releasing a greater number of them--or was it just a bit of good luck? There's only one way to tell: Keep your eyes open and just look hare, there, and every-where--those little fellows are fast!

A recently overheard quip: "Do you think those fish dimes will smell when they get old?"

The 50-cent piece seems to be a thing of the past. Ever since the price on silver went up you just don't see them anymore. Wonder how many of them are just being set aside and how many are reaching the melting pot?

LAST MEETING OCT-24-1967: 90

It was decided at the October meeting that our annual christmas party will be held on Tuesday, December 19. There will also be our usual donation auction with items from one to three dollars. More details at the November meeting.

Our thanks to club treasurer Robert Strong for his talk on Canadian decimals and medals.

91-1

BRAIN TWISTER

Last month we were looking for an opinion--is it better to own a rare coin or hold valuable knowledge about the coin? Of course the whole idea of numismatics is to gather knowledge about specimens--but that is rather difficult if you don't have an item to work with; it is my opinion that both is best!

For next month: Taking into consideration all British North America coinage, how many portraits of Queen Victoria are there?

NEXT MEETING NOV-28-1967: 51

The next meeting of the NORTH YORK COIN CLUB will be held on Tuesday, November 28 at the NORTH YORK MEMORIAL COMMUNITY HALL, 5090 YONGE STREET, WILLOWDALE.

Our guest speaker at the next meeting will be Mr. Ivan Coles who will talk on the Imperial Bank in particular and Forms of Banking in general. Hope you will attend.
