LAST MEETING: APRIL 23-1968: 35

Despite the competition of the third game of the Stanley Cup Eastern Finals and a spring thunder storm, the North York Coin Club had a fairly good attendance.

Since the decimal series of Canadian Coins is usually the starting point in anyone's collection, the advanced Numismatist will inevitably turn his interests to a particular field and specialize. Our President, Mr. Harvey Farrow, is no exception, and he proved it very well by displaying a good number of his specialty---Medals of Clubs and Organizations in Ontario and Canada.

Among his collection were many of the Canadian Numismatic Association's annual convention medals issued from 1954 to 1967. Also shown were annual medals of the Canadian National Exhibition from 1963 to 1967. The official New York city hall medal was represented as well as many coin clubs in this area. Medals from the Torex show and the wooden token of the C.N.V.C.A. was also shown.

Many scenes both abstract and real, and of places and things of the past, present, and future were depicted on many of these "coins", in just about all the metals as well as wood and plastic.

On behalf of the Club, I wish to thank the president for his interesting and informative talk.

LUCKY DRAW: A Klondike Medal sent from Wildwood Alberta was won by Honorary President, Mrs Louise Graham.

NEXT MEETING: MAY 28-1968: 37

The next meeting of the North York Coin Club will be held on Tuesday, May 28, 1968 at the North York Community Hall, 5090 Yonge Street, Willowdale Ont. Doors open at 7:30 p.m., meeting starts at 8:15 p.m.

For this meeting, another member of the Executive has prepared a talk, and should be very interesting. Your secretary-treasurer, Mrs May Bunnett will be speaking on English Coronation Medals from Edward VI (1546) to Elizabeth II (1953). Colour slides will accompany Mrs. Bunnett's narration. Please plan to attend.

## SUMMER PICNIC:

As announced in last month's bulletin, the date of the summer picnic was June 25, 1968, but because of the General Election which has been called for that date, the picnic has now been set at June 18, 1968, (1 week earlier). The place is the same, Summer Cottage of Mr. and Mrs F. Conson, and the fun should be just as good, so please plan to attend.

Is this annual event worth a 4¢ stamp? If so and you are planning to attend, please complete the following tear-off and send it to N.Y.C.C., Post Office Box 294, Willowdale, Ont. This will serve as a guide to the number of people coming so that Mr. and Mrs Conson can provide maximum enjoyment for the evening. As in the past, the food is made up by the members and thus becomes a "Pot-Luck" dinner. This has proved very successful in the past and with a little thought and planning it can be another tremendous success.
