## MEETING

MEETINGS OCT 22/68 = 100

The North York Coin Club has reached another milestone during its existence over the past 8½ years. This meeting marks the 100th time an interested and enthusiastic group of people have met to enjoy their hobby, as well as further their interests and education in the Numismatic field.

Since this meeting is a very special occasion, a special programme has been arranged and a large turn out is welcomed and anticipated.

The guest speaker will be Mr. V. C. Snell, President and Editor of the Canadian Numismatic Association. Mr. Snell will be addressing the club on the topic of Canadian Paper Money and should prove to be an interesting as well as an educational evening.

The meeting will be held as usual at the North York Community Hall, 5090 Yonge St., Willowdale, Ont. The date is Tuesday, October 22, 1968, doors open 7:00 p.m., meeting starts at 8:15 p.m. The large room downstairs has been reserved for this event, so there will be ample room.

Other events on the programme will include 8 dealer's tables (Bourse), displays, and refreshments. Dealers interested in obtaining a table for the evening should apply to: N.Y.C.C. Box 294, Willowdale, Ont. and enclose the fee of \$2.00.

A special membership plan is being offered to anyone who joins the club at this meeting, whether you are a past member, or an interested numismatist. If you pay the regular membership fee of \$2.50 for 1969, you get the balance of 1968 free, plus a booklet on the Currency of Canada issued by the Bank of Canada.

As you can see, this meeting should really be a good one, but it's success still depends on **YOU**, the members. Please plan to attend and bring a friend or fellow numismatist. You will both enjoy yourselves.

LAST MEETING: SEPT 24/68 99

Member Mr. R. Strong gave an interesting talk on Canada's Centennial Coins which was illustrated by a number of colour slides. As an addition to his address, he showed a number of slides on the different species of flowers grown by himself in his garden at his home. This proved to be quite a colourful side-light to his speech.

Also, on the programme was a talk by Director, Mr. Fred Jewitt on the highlights of the Canadian Numismatic Association's Convention in Calgary. Mr. Jewitt was this club's official representative, and he outlined all the events which highlighted this big show, and mentioned that the 1969 Convention will be held in Toronto and that plans were well under way for the largest C.N.A. Convention ever.
