AMERICAN NUMISMATIC ASSOCIATION
ONTARIO NUMISMATIC ASSOCIATION

NEXT MEETING:

The next meeting of the North York Coin Club will be on Tuesday February 24, 1970 and represents another Milestone for the club.

10TH ANNIVERSARY MEETING!

It was at this meeting in 1960 that the club got it's beginning, and has continued for one full decade. The club got a strong start with new ideas, high enthusiasm, lots of new members, and a good executive. This was pretty much the case all over, and all clubs, new and old progressed very well. In 1965, a depression settled in on the hobby and many clubs folded. We as a club pooled our ideas and by careful management of our assets, continued as a numismatic organization without sacraficing our programmes or events. Toward the end of the sixties, interest in the hobby continued to decrease and we found it increasingly hard to keep up with rising costs of operating, yet still provide an interesting and varied programme. Through the determination of the club members, and executive, North York Coin Club now enters it's 11th Year of serving the Numismatist in this rapidly expanding expanding Borough of North York. What the future holds will of course depend on the Hobby as a whole and the present members and executive. The Seventies should be an exciting decade for the hobby and the club's future should become firm and secure as time passes.

This meeting is being marked as a display night, and members are invited to enter a display in a competition. The prize for the winning entry will be a 1967 Proof-Like Centennial Mint Set. To offset costs for the evening, an entry fee of .25¢ will be charged.....small token for the fun of competing, and who knows, YOU might even take home 1st prize! Coffee will be served during the evening, so please plan to attend and bring along your display!

LAST MEETING:

We were pleased to have member and familiar Numismatist, Mr. F. C. Jewett as guest speaker at the last meeting. Mr. Jewett's address was on the Canadian Government's "White Paper"and how it effects YOU the Numismatist. After the presentation, a very active question and discussion period developed, thus showing the interest by the club on this very controversial subject. If you could not make it to the last meeting, and would still be interested in your position with the Government and the "White Paper", may I suggest Mr. Jewett's article on this subject which appeared in the December issue of the Canadian Numismatic Journal on page 373. The club again thanks Mr. Jewett for his address.

The club draw was won by President, Mr. H. Farrow, who turned the prize back into the club as a donation and was auctioned off to Mrs. May Bunnett.

Please remember about the Display night at the next meeting, and circle Feb. 28, and Mar.1 1970 on your calender for the annual Canadian Paper Money Society Convention at the Toronto Dominion Centre. Seeyou all next Tuesday!
