**NEXT MEETING:** The 119th meeting of the North York Coin Club will feature a talk by Mr. R. Strong on the quite rare topic of PRESERVATION TECHNIQUES RELATING TO COINS. This is information that every numismatist should possess, so please plan on attending.

The May meeting will be held on Tuesday the 26th of May, 1970 at the North York Community Hall, 5090 Yonge Street, Willowdale. The doors open at 7:30 p.m. As mentioned in the last bulletin, this meeting will be the last meeting for the summer holidays. The 120th meeting of the club will therefore be the September meeting. Have a good summer, and BE CAREFUL!!!!

For the May gathering, members are asked to form small informative displays to be presented at the meeting. This will not be competitive, but your prize will be the knowledge that you have contributed to the numismatic comprehension of your fellow members. We will also have another "Self-sell" auction, so bring your duplicates.

**LAST MEETING:** The April meeting highlighted Mr. Mark Drake whose topic was The Commemorative Coins Of Canada. Mark did a fine job, and his talk was followed by a lively discussion about the designer's initials on the 1939 commemorative silver dollar.

Your editor suggested the possibility of giving several copies of the bulletin to prominent coin dealers in the area for distribution to customers. The members present passed the notion for a trial period, and since then two dealers have agreed to participate.

Also at the last meeting, a John F. Kennedy "Sudbury" medal was won in the raffle by Mrs. Louise Graham. The possibility of having a coin show in early December was discussed, but nothing is definite yet.

next meeting on Tuesday the 26th of May, 1970, 7:30 p.m.

Your editor wishes to extend, on behalf of the North York Coin Club, the most sincere sympathy to Larry Becker, of North Toronto Coins Limited. One of the friendliest coin dealers in the business, as well as a staunch supporter of our club, Larry was held up by three men carrying shotguns, early in the morning on Tuesday, September 19. The extent of the robbery is not known to me at the time of this writing.
