NEXT MEETING: The final meeting of the North York Coin Club to be held before the summer adjournment will feature the talk "AN HONEST COUNTERFEITER" researched and prepared by Mr. L.J.P. Brunet founder and first president of The Canadian Numismatic Association. This talk was first presented at the Toronto C.N.A. convention in 1954. Mrs. Louise Graham, outgoing C.N.A. secretary, and candidate for the second vice-presidency of the C.N.A., will give the talk to N.Y.C.C. members at the June meeting on June 22, 1971. The location is the North York Community Hall, 5090 Yonge Street in Willowdale, at 8 o'clock p.m.

As mentioned already, the July and August meetings have been cancelled due to summer holidays. The September meeting will be held on Tuesday September 28, 1971. I hope you have a happy and safe summer, and please be careful. Don't forget the 1971 convention of the Canadian Numismatic Association to be held August 26, 27 and 28 in Vancouver B.C. As a veteran of two C.N.A. conventions, I have found them very enjoyable, and the people as nice as could be. I hope to see you there.

LAST MEETING: At the May meeting of the North York Coin Club, held on May 25, 1971, members and guests enjoyed the slides entitled "HUDSONS BAY TRADING TOKENS" prepared by the Vancouver Numismatic Society. Stan Clute brought along one very interesting token issued by the Hudsons Bay Company. The slides were loaned to the club by the Canadian Numismatic Association Library, and were shown in conjunction with C.N.A. night.

Mr. Farrow, club president, read an article which recently appeared in the Toronto Telegram. The article was entitled "Ontario Classroom Pennies That Built A Bank.", and dealt with the Penny Bank of Ontario. Public school students had accounts, & deposited their pennies by giving them to the teacher. The article was very interesting.

The up coming C.N.A. election was discussed. The club has two candidates running for C.N.A. offices: F.C. Jewett is running for first vice president, and Mrs. Louise Graham is running for second vice. The club put nominations in for all offices which are currently open, and the club voted unanimously in favour.

Kaj Rasmussen won a medal commemorating the 60th anniversary of the Royal Canadian Mint in the draw. The medal was donated by Nelson Boltz of Halifax, another candidate for CNA 2nd vice.
