LAST MEETING: The name of Aubrey Leslie was picked for the second meeting in a row for the "on time attendance draw", but again not in attendance at the meeting, the prize for the March meeting will be \$10.00.

At this meeting we welcome back to the meeting Louise Graham who has been confined to the hospital the last several months. The president presented her with her plaque of appreciation for her years of service to the club, as she wasn't able to be with us back in September when the rest of the long standing members received theirs.

George Gale gave a very informative talk on Greek Coins from the Archaic period 700-480 BC and through the Transitional period 480-415 BC and then the Finest art period 415-336 BC and later the Fine art of 336-280 BC and through the Decline period, 280-146 BC and the continuing decline 146-27 BC and finally the Greek Imperial 27 BC - 268 AD. He passed around copies of the 7 stages he went through with the accompanying slides. He was thanked by the president on behalf of the members for the excellent talk he gave.

Since this was the 23rd. anniversary meeting of the club, we had the birthday cake served at the refreshment break with the cake been cut by Louise Graham.

The voting took place for the new name of the junior's box and the winning name was the "The Mint".

The draw prizes were won by the following: Dion VanLaetham, Gertrud Wiese (3), Jean Orr, Frank Dennis (2); Harvey Farrow, Carl Anderson, Ron Zelk (2), Fred Jewett, Bill VanLaetham, Leon Saraga (3), Martin Talavera, Bill Brennand and Bob Porter and guest Jamie Thornton (3).

NEW MEMBERS: No applications have been received this month for membership approval. We welcome #416 Mary A. Zemsta which was approved at the February meeting.

NEXT MEETING: The March 22nd. meeting will feature Roger Fox as our guest speaker, who will talk on the subject of "Commercial and Fractional Currency." This should be quite interesting subject since more and more commercial concerns are bringing out this type of advertising of money.

MARCH 12 SHOW: This months bulletin has been prepared before the show, so we hope that all of our members came out to support the club at the show. Details regarding the winners of the draw prizes and displays will be announced next month.

Please turn over.....

COIN WEEK CANADA: The club will have unmanned displays which have already started at the Don Mills branch on Lawrence Avenue East across from the Don Mills Shopping Centre, starting on March 7, which will feature part of the collection of John Regitko's primitive money. On March 15 a display will be on at the Fairview Library at the back of the Fairview Mall at the corner of Don Mills Road & Sheppard Avenue East. This display will have the material of Wally Ciona and Harvey Farrow. Then on March 31st. at the Central library on Yonge Street across the parking lot of the community hall, this display will have the other part of the John Regitko's primitive money display. It will save Ron Postill a lot of time if you would volunteer your services for an afternoon or evening period for the Central library when we will have manned displays from the Monday to Saturday of April 18 to 23rd. Also a manned display on Friday evening and all day Saturday April 22 and 23rd at the Fairview library. Ron needs your help for these manned displays if we want the club to keep on promoting Coin Week Canada across North York. Mayor Mel Lastman has proclaimed the week of April 17th. to 23rd. Coin Week in the City of North York. This is the second time he has done this for the club.

TORONTO INTERNATIONAL COIN FAIR, MARCH 25-27: As mentioned in last month's bulletin the club will again have a table at the coin fair to promote the club and hobby. We are still in need of members to man the table, especially on the Friday as well as Saturday. These two days the hours are from 10:00 A.M. to 7:30 P.M., and on Sunday from 10:00 A.M. to 5:00 P.M. Please see the president at the March meeting if you can spare some time down there to relieve at the table.

COMING EVENTS: Clubs, Provincial, National: April 8-10, O.N.A. 21st. Annual convention at the Rock Haven Motel, on Highway #28, Peterborough, Ontario. Auction conducted by Eagle Coins of Niagara Falls, on the Friday evening from 7:00 P.M. to 9:30 P.M., followed by a wine and cheese party. Saturday, will feature the annual meeting of the O.N.A. in the morning and the annual banquet in the evening. Sunday will feature the delegate's breakfast and the drawing of the winning ticket for the trip to Mexico. May 7: Victoria-Simcoe Numismatic Association annual show at the Rebekah Hall, 24 Laidlaw Street South, Cannington, Ontario. This is one of the best country shows around in this area, The cost for the banquet is \$6.50 per person which will be served at 6:00 P.M., May 14: Thistletown Coin & Stamp Club annual show, at the North York Sheridan Mall, Wilson & Jane Streets, in Toronto. June 11: Richmond Hill Coin Club annual show at the Hillcrest Mall, on Yonge Street in Richmond Hill. July 20-23: C.N.A. Annual Convention at the Keddy's Hotel, in Moncton, N.B. This is the first time at the convention has been held in the Maritimes for quite some time. Commercial Shows: March 25-27: Toronto International Coin Fair, 2000 Lakeshore Blvd. West, Hours: 10:00 A.M. to 7:30 P.M. Friday and Saturday and from 10:00 A.M. to 5:00 P.M. on Sunday. Daily admission is \$1.00 per day or a 3 day pass for only \$2.00. May 13-15: Torex Spring Collectables Show at the Toronto Harbourfront Building, 222 Queen's Quay West, Toronto, Ontario, It is too bad that both a commercial and a club show is on the same weekend in the same city but it is getting harder all the time to book space in either hotels and shopping centres that don't conflict with one another.

PRESIDENT'S MESSAGE: At a recent executive meeting of the club, the club will be sending two representatives to the O.N.A. Delegate's breakfast on Sunday, April 10th. at the Rock Haven Motel in Peterborough. The two delegate's will be Wally Ciona and myself. We will give a report at the April meeting for the members of the club that couldn't make it to the convention. Reminder: To the members who took books of tickets to sell on behalf of the club on the O.N.A. Draw on a trip to Mexico. The club will get two dollars back from the O.N.A. if the front stub of each book has the club's name on it. These books must be back into the club either at the March 22 meeting or at the latest on Sunday March 27th. at the club's table at the Coin Fair.

That's it for another month:

Wally and Harvey.
