## THE YEAR END BULLETIN FOR 2011

### EDITOR'S MESSAGE

Here is a special year end issue of *The Bulletin* with a few memories of the Christmas Dinner at the Swiss Pick on December 6 and also some looking ahead to our activities for 2012.

We have known for a few months now that Edithvale had a conflict between scheduling our meeting and a meeting of the Toronto Digital Photography Club on the fourth Tuesday of January. Since that Club has a guest speaker scheduled and since they are expecting about 80 of their members to turn out, the North York Coin Club has agreed to be relocated for the January 2012 meeting. A very nice expression of gratitude has been received from the Toronto Digital Photography Club in appreciation of our flexibility. See the details of the meeting location in the green box to the right.

The Executive of the North York Coin Club are reminded of our first meeting of the New Year on Tuesday, January 10 at 7:30 p.m. in the Boardroom at the Edithvale Community Centre. President Bill O'Brien is looking for a good turnout of the Executive members and reminds all Club members that they are welcome as well. Let's hope that the fine weather of December continues and that a snow storm does not descend upon us on that evening. In respect to the potential labour problems, as of right now just before Christmas, it is expected there will be none that early in January.

This flexibility may not ultimately count for much if labour problems develop between the City of Toronto and CUPE Local 79 representing the inside workers, which is the group that takes care of Edithvale. Just as happened in 2009, meeting permits could be cancelled if contract negotiations break down and strike or lockout action comes into play. Let's hope it does not come to that, but it is important to be aware and watching the news for developments.

For anyone who may have missed the news, the Edithvale Hobby Show is going ahead on Saturday May 12. Set up is between 8 and 9 a.m.; doors open 9 a.m. to 4 p.m. We have at least 20 tables available at \$20 each.

Included in this issue are some pictures of our combined North York Coin Club and Mississauga-Etobicoke Coin Stamp and Collectibles Club combined Christmas Dinner at the Swiss Pick Restaurant in North Etobicoke on Tuesday December 6. Our thanks go to Henry Nienhuis for do the photography during the evening.

I am going to let Nick Cowan, President of the Mississauga-Etobicoke Coin Stamp and Collectibles Club, have the last word here. He sent out a very nice note by e-mail just after our joint dinner on December 6 at the Swiss Pick.

I do hope you have a safe, happy and healthy time over the Christmas and Hanukkah Season as we look forward to a Happy New Year for 2012 and the resumption of Club activities.

*Paul Petch, Editor*

### NEXT MEETING TUESDAY, JANUARY 24 2012

**We start gathering at 7:00 p.m. with meeting start scheduled for 7:30 p.m.**

**Due to space scheduling problems at the Edithvale Community Centre, we are being relocated to the Dempsey Room on the first floor for the January 2012 meeting.**

**The Dempsey Room is smaller than our usual Gibson Room location, but it will easily handle a North York Coin Club meeting.**

*Thank you one and all for your turnout last evening, it was nice to see everyone again.*

*The Executive of both Clubs, and especially Paul Petch with his negotiating skills, tried hard to make it a great evening for everyone and we believe we did just that.*

*Today, I received many comments regarding our event and none were negative at all. In fact, they were all complimentary on the location, the food, the gifts, the 50/50 draw and of course, the Bingo. It seems that we hit the nail on the head with the pricing for the event. Additionally, getting out as a combined group seems to have made good financial sense overall.*

*In that it seems that the majority of members were happy with this year's arrangements, we will put this on the agenda again for next year.*

*May I wish you a Merry Christmas, and a Happy Holiday Season and we will meet again in January.*

*Nick Cowan*

**THE FESTIVE SPECIAL IS ON  
SANTA’S NAUGHTY LIST**

The Swiss Chalet Festive Special, the usual choice for Club dinners at the North York and Mississauga-Etobicoke Clubs, was examined by Megan Ogilvie in her *The Dish* column in the Friday, December 16 issue of the Toronto Star’s Life Section. Her entertaining review eventually got down to some very disturbing numbers for those who want to watch what they eat. Leaving the text aside for you to hunt down yourself, here are the critical numbers presented at the end of her column.

Now, aren’t you glad we switched from Swiss Chalet to Swiss Pick this year?
